STAT

Your husband has been awarded the CIA Intelligence Star for his exceptional courage and devotion to duty while assigned as chief engineer of a Foreign Broadcast Information Service field bureau caught in the midst of military hostilities.

STAT

Special recognition accorded to Agency employees always extends to the family members who share in the contributions and hardships peculiar to our service. In this instance you and your son, [redacted] underwent the same peril as your husband and helped him and others as you could. Having experienced the danger and dislocation of hostile action and evacuation, you and Alan have joined the small company of those family members with particular claim on special recognition.

STAT

I want you and [redacted] to know that you have earned a share of this Star and that your fortitude will always be a source of pride to FBIS, the CIA, and your country.

Sincerely,

/s/ W. E. Colby
